All About Me Poem

This is a poem all about me,

Where I come from, who I'd like to be.

My first name is _____, _____ is my last,

I stand _____ feet tall, I'm growing real fast!

_____ are my eyes, my hair a _____ shade,

I am _____ years old, and in the _____ grade.

I was born on _____, a fine birthday,

_____ is my home country, I am proud to say.

My favorite color is _____, a beautiful hue,

My favorite number is _____, that's important too.

My favorite animals are _____, they're really cool,

And _____ is my favorite subject in school.

_____ is my hobby, _____ is the sport for me,

I like to eat _____, I think it is tasty.

I will be a(n) _____ when I'm grown up on some future day,

Until then I'll have fun, I'll work hard and I'll play.

That about sums it up, and as you can see,

This poem clearly shows it's great to be me!
